Nicholas Hibbits

South Lake Tahoe, CA
(210) 275-3628
nicholashibbits@gmail.com

Self-motivated frontend developer with experience working at a startup and managing e-commerce for a small business. I build sleek digital experiences.

EXPERIENCE

JarvisWorks, South Lake Tahoe — *Software Developer*

JUNE 2021 - Present, **2 YEARS 1 MONTH**

- Assisted in building a CRM web-application for photographers called Studio Zoomies.
- Utilized JavaScript frameworks, Scss, TypeScript, Supabase, and JIRA.
- Built and refined UI components in collaboration with a team.
- Became comfortable debugging in a large codebase.
- Developed in-app automated and direct messaging via SMS and email by integrating Twilio.
- Developed a payments architecture for users to build invoices and accept payments. Leveraged Stripe to commit transactions.
- Twice attended the annual Wedding and Portrait Photographers International convention to promote Studio Zoomies and recruit users.

Freelance, South Lake Tahoe — *Web Developer*

JUNE 2022 - DEC 2022, **7 MONTHS**

- Managed e-commerce for The Bear's Den.
- Built and maintained a website and Etsy shop.
- Increased sales 5% over 6 months.
- Gained experience with CMS.
- Utilized SEO principles to increase site traffic.

The Bear's Den, South Lake Tahoe — *Chainsaw Carver*

MAY 2019 - JUNE 2021, **2 YEARS 2 MONTH**

- Carved animals out of wood using chainsaw and other tools.
- Spoke with customers to make sales.
- Managed storefront.

Tahoe Resource Conservation District, South Lake Tahoe — *Crew Member*

MAY 2019 - AUGUST 2019, **4 MONTHS**

- Ensured ecological health and public safety around Lake Tahoe.
- Maintained a safe work environment while removing dead and unhealthy trees with a chainsaw.

American Conservation Experience of AmeriCorps, California — *Crew Member*

OCTOBER 2017 - OCTOBER 2018, **1 YEAR**

- Served 1,350 hours over two terms in Santa Cruz and Mammoth Lakes.
- Trail construction and maintenance, dry-stone masonry, habitat restoration, and invasive species removal.
- Maintained a flexible communication style as crews, crew leaders, locations and schedules changed frequently.
